Human Geography	Friday	May 13, 2011	8:00 am	MISD Admin Bldg
Spanish Literature	Friday	May 13, 2011	8:00 am	MISD Admin Bldg

MHS students register for the PSAT in September, 2010 by turning in a registration form to Mrs. Kathy Carson, PSAT Coordinator, in the Counseling Center at Marshall High School. The PSAT costs \$13.00. In the past, MISD has paid this fee for all students taking the test.

MHS students register for AP exams in March, 2011 by turning in a registration form and payment to Mrs. Kathy Carson, AP Coordinator, in the Counseling Center at Marshall High School. Each AP exam costs approximately \$87.00. An annual State of Texas fee reduction program brings the cost to students down to approximately \$56.00 per exam. Students on free or reduced lunch pay approximately \$8.00 per exam with the state fee reduction. (The State of Texas finalizes the fee reduction in late March or early April each year, so the exact cost of the AP exams to students will not be available until April, 2011.)

Home-Schooled students are allowed to take the PSAT and AP exams at any school that offers them. They should contact the PSAT or AP Coordinator and make arrangements to pay for the exams and have them ordered. Home-Schooled students who want to take the PSAT should contact the PSAT Coordinator no later than Sept. 1, 2010. Home-Schooled students who want to take AP Exams should contact the AP Coordinator no later than March 15, 2011.

Coordinator Contact Information
